

TAPAS TOUR IN SANTA CRUZ QUARTER

Date: Thursday, February 5 (20:30)

Meeting point: Seville Town Hall (main entrance), Plaza Nueva

Duration: 2 hours

Note: 10 people minimum required

We want to offer people from other countries the opportunity to live our tapas-culture. Therefore we have carefully selected some of the most famous tapas bars in Seville, in the most beautiful historical districts of the town, in this case **Santa Cruz Quarter**, always escaping from too modern or tourist places.

Always searching for the authenticity in this gastronomic experience and following the idea that our participants enjoy a tapas tour as people from Seville live it, we divide the group into small groups of 20 people approximately. Each group always will be accompanied by an identified guide who speaks the language of the group.

Once in the bar, the group finds a table prepared for them where they enjoy 2 tapas and a drink.

The tapas will be selected before the group arrives.

Once we have enjoyed the tapas in the first bar we go on to the next bar where we have 2 tapas and 1 drink and the same in the third and last bar.

The Tapas Tours includes:

- ❖ 6 selected tapas + 3 drinks per person
- ❖ Accompanying and assistant guide (one for each 20 people)
- ❖ Sealed Map with LOGO for each participant
- ❖ Graphic material with the selected tapas in each bar

Tapas Tour rate: 59,30 €
